Bio-Stim-Zyme

THREE STRENGTHS...ONE GREAT PRODUCT

Bio-Stim-Zyme is a combination of our world class PX-700 Biostimulant, super concentrated CompleteZyme "L" with 14 strains of microbes, and Synergy which is a multifaceted natural enzyme with over 6,000 different types of enzymes.

Bio-Stim-Zyme was researched and developed to solve the most difficult fat, oil, and grease problems. It is specifically designed for use where all other products have failed.

Bio-Stim-Zyme's new formulation simultaneously targets the degradation of proteins, fats, oil, hydrocarbons, grease, lipids, cellulose and sugars. **Bio-Stim-Zyme** is fortified with biostimulants, nutrients and surfactants to enhance the biological activity and speed the breakdown of odor causing organic contaminants.

APPLICATIONS:

Lift Stations

Sewer Lines

Digesters

Equalization Tanks

Lakes & Ponds

Commercial Grease Traps

Wastewater Treatment Plants

Benefits of **Bio-Stim-Zyme**:

- Works where all other products failed
- Triple Action Product
- Fast Results
- Reduces Fats, Oils, and Grease
- Reduces Odor
- Proven Field Results
- Non-toxic, non-corrosive natural organic product
