Grease Buster CU

SAFE & EFFECTIVE FLOOR DRAIN CLOG BUSTER

Grease Buster CU is a fast acting, safe, commercial grease buster.

Grease Buster CU meets all green ingredient guidelines, due to the fact that it is bio-degradable, non-toxic, and its production process generates no waste.

Grease Buster CU is powerful enough to liquefy grease found in commercial floor drains and all other drain lines including soda and coffee maker drains. The active ingredients act as a liquefier to liquefy solids, hairs, soap scum, cigarette butts, feminine products, and all paper products that tend to be found in drains.

Requested by commercial users, **Grease Buster CU** is packaged in easy to use 1 pound containers for fast response for clog drains when they happen

Benefits of **GREASE BUSTER CU**:

- Non-toxic, non-corrosive natural organic product
- Renewable resource
- Naturally reduces grease
- Proven field results
