# OdorSnuff

**THE PROFESSIONAL'S CHOICE  
IN DUMPSTER DEODORIZATION**

Contains Natural  
**CITRONELLA**  
For  
**GUARANTEED**  
Insect Control

## **ELIMINATE GARBAGE ODORS TODAY!!!**

**OdorSnuff** is a powerful and effective clay and Zeolite based granular deodorizer that contains a natural odor absorbent.

This proprietary odor neutralizer fights and eliminates odors long term. **OdorSnuff** also contains Citronella, a plant based insect repellent the Environmental Protection Agency considers a bio-pesticide with a non-toxic mode of action.

Sprinkle **OdorSnuff** as needed into the receptacle to effectively neutralize and control odors. One application of about 1 to 2 pounds will last 7 days.

### **OdorSnuff** Common Applications:

- Dumpsters
- Refuse Trucks
- Compactors
- Food Waste Barrels
- Ash Trays (Urns)

**When smells & bugs are just too much....  
correct the problem with **OdorSnuff** !!**
